

Membership at Surrey Downs

At Surrey Downs we believe that our members are our most important customers and in recent years we have worked hard to ensure that our members are getting the most out of their club. We strive to create a warm and welcoming environment, one where people feel relaxed and free from many of the rules and regulations that have historically been part of golf club membership.

We offer a wide range of options that are unlikely to be matched locally, yet which still place value on the importance of being part of a club. This includes the opportunity to get a handicap, enjoy a well-balanced competition calendar, a levy card that discounts all food & beverage and driving range purchases by 15%, participate in social events, to hold member's guest days and regular offers in all areas of the Club.

And, where others are currently adapting to the demands of integrating the rights of men and women within a golf club, Surrey Downs has been successfully been doing this for years.
