Testimonials

We had our wedding reception at Surrey Downs in October 2014. Zoe and her team are just amazing. Every time I emailed with another question it was never any bother to Zoe or when I wanted another visit or show family/friends around I was always told yes.

I was very particular how I wanted everything set out and how it would look and asked if I could come the day/night before to help set up and I was allowed although I shouldn't have worried because Zoe knew what she was doing and it was like she could see my vision even though I hadn't really said how I wanted it. Surrey Downs is the best venue in my eyes. A true personal touch to any wedding! Thank you !!

Could not have faulted Surrey Downs. Our original venue cancelled last minute, and we decided to go with Surrey Downs, and my God we were so glad we did. Couldn't have faulted them especially during a difficult time! They catered for all our dietary requirements, the food was out of this world! And the service was incredible! All the staff were just amazing throughout the day making the day so special! Beyond helpful! Cannot thank them enough! We will definitely be having all of our functions here from now on! Rachael our wedding organiser was amazing and so helpful! , she literally made the day a breeze! Thankyou so much again!!!

Nick and I just wanted to say a massive thank you for everything on Saturday, the day was amazing and it all went so smoothly, all down to you and your wonderful team.

We loved the venue, and cannot fault the service of your team, they were polite, helpful and prompt, even the next day when we went to collect our remaining bits and bobs! We would not have changed a thing about the day and did not feel stressed at all which is down to your organisation throughout.

We had a wonderful wedding at SDGC. The staff were all helpful and the day ran without any issues. The food was complemented by the guests (the prawn canapes and the salted caramel torte especially). We weren't looking to spend over the odds and we managed just that. Would definitely recommend.

Hi Rachel, My husband and I would just like to say, what a brilliant day we had for our son's wedding. Yourself and all your staff were exceptional in every manner from the moment of arrival to the last departed guest, you helped turn a day that we thought was going to be a disaster into a day to remember. Please pass on our deepest thanks to everyone involved.

What can I say.. Rachael and the team at Surrey Downs turned our dream wedding into reality. We had to change venues last minute and Rachael helped us re-plan our whole day with two weeks to go. They say everything happens for a reason and I truly believe our day couldn't have gone any better. The venue was stunning and looked so pretty decorated. We were able to go off on a golf buggy and capture some amazing photos too. The food was lovely, and staff on the day were extremely attentive and helpful.

I would highly recommend Surrey Downs and the team to everybody!

We had our wedding here in the middle of the pandemic and it could not have been better. Rachel was very helpful and quick to reply to ALL my emails over the lead up of 7 months. The team were very helpful on the day, nothing was never too much. Our day was the most amazing day and we wouldn't have changed it for the world. I highly recommend the venue due to the cost, flexibility, and amazing team .

When we went and saw Surrey Downs Golf Club we fell in love with it and knew it was where we wanted to hold our wedding. We then were met by Rachael who organises events and were blown away, she was happy and helpful and during times of Covid which our wedding took place in she was always on the phone or email responding to our many questions, fears or changes. On the day we were literally blown away, the room was how we imagined it, the weather finally was on our side and every single member of staff was organised, polite and made things run smoothly, even making sure we didn't see each other prior to the wedding, it was a well organised operation. All of our guests have complimented the wedding, many saying it was the best wedding they have ever been too and just over a week later guests are still speaking about it. The food was absolutely amazing and plentiful. Even though we could not dance etc Covid rules, due to the weather we were able to utilise the outside area and you honestly would not have known that Covid had altered our wedding, we played music through their sound system and continued right on until it was time for the day to finish. If we could relive that day again we would 100 times over as was just perfect and that was also down to the amazing staff. I know for a fact we already miss our meetings with Rachael and the laughs we had in them. We both highly recommend having your wedding here, the setting, the staff, the food, the care, they literally have the whole package and make it more than you can imagine.
